Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	23	32
Forest	22	33
Transition	21	34
Northern	21	35

SUMMARY: Sunny conditions will dominate most sectors of the country this afternoon with the likelihood of localised thundery showers expected over some areas within the coastal, middle and transition sectors. The northern half will experience fairly dry and slightly hazy weather throughout the forecast period.

NB: Relatively cool night and early morning temperatures are expected over the upper regions
