SUMMARY: This morning Partly cloudy conditions will prevail over most parts of the country with mist or fog patches forming over the coastal, forest and mountainous zones during the early hours. As the day progresses, sunny conditions will dominate across southern Ghana, with localized thunderstorms affecting parts of the forest areas and a few areas slightly north of the coastline from afternoon into the evening. Meanwhile, northern Ghana will experience dry and slightly hazy conditions throughout the forecast period.

NB: *Relatively cool night and early morning temperatures are expected over the upper regions.*
