SUMMARY: This morning, mist or fog patches will form over parts of the coast, forest, and mountainous areas, reducing visibility. From mid-morning into the afternoon, bright and sunny weather will prevail across the entire country. However, cases of localized thunderstorms or rain are expected over parts of the coastline and inland areas from this afternoon into the evening. Fairly dry and slightly hazy conditions will dominate the northern portions throughout the forecast period.

NB: *Relatively cool night and early morning temperatures are expected over the upper regions.*
