Coast	24	33
Forest	23	33
Transition	20	34
Northern	21	37

SUMMARY: This afternoon, sunny conditions with periodic cloudiness will dominate most parts of southern Ghana. Localised thunderstorms or rain are forecast to affect a few areas along the coast, as well as inland and middle sectors, from late afternoon into the evening hours. However, fairly dry and slightly hazy conditions will persist over northern Ghana throughout the forecast period.

NB: Relatively cool night and early morning temperatures are expected over the upper regions
