Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	24	33
Forest	23	34
Transition	20	35
Northern	20	37

SUMMARY: Sunny weather with occasional cloudiness will prevail over most areas within southern Ghana this afternoon. However, localized thunderstorms or rain are expected to affect parts of the coastline, slightly north of the coastline, middle and transition sectors of the country from this afternoon into the evening. The northern sector will experience fairly dry and slightly hazy conditions throughout the forecast period.

NB: Relatively cool night and early morning temperatures are expected over the upper regions
