Coast	25	33
Forest	22	35
Transition	23	35
Northern	22	38

SUMMARY: This evening, partly cloudy conditions will prevail along the coastline and inland areas. Localised thunderstorms or rain, are, however expected over some places in the middle sector of the country. The northern sector will remain dry and hazy throughout the forecast period. Early morning mist or fog patches will form along the coast, mountainous and forest zones tomorrow morning, reducing visibility.
