Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	24	34
Forest	22	36
Transition	20	37
Northern	24	39

SUMMARY: Sunny weather will dominate all sectors of the country with occasional cloudiness for some places in the southern half this afternoon. However, developments of thunder or rain clouds are expected to produce some localised thunderstorms or rain over parts of the coast, its inland areas, forest and transition belts from late afternoon into the evening. The extreme portions of the north will remain fairly dry with slightly hazy conditions throughout the forecast period.
