Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	25	34
Forest	24	35
Transition	23	38
Northern	26	42

**SUMMARY:** This morning, partly cloudy conditions will dominate across the country, with mist and fog patches over the coastal, forest and elevated areas during the early hours. By the afternoon, the weather will be bright and sunny nationwide. However, from late afternoon into the evening, some areas in the middle, transition and northern sectors are likely to experience thunderstorms or rain. Meanwhile, slightly hazy conditions will linger over the extreme northern portions of the country from morning through the afternoon.

*Today marks World Meteorological Day; observing today to protect tomorrow!*
