Weather Icons

Sector	Minimum Temperature (°C)	Maximum Temperature (°C)
Coast	26	33
Forest	24	34
Transition	24	37
Northern	26	41

**SUMMARY:** Predominantly partly cloudy weather conditions are expected for most places in the country this morning with misty or foggy conditions, forming to reduce visibility in the early hours over the forest and hilly areas. The day is expected to advance to mostly sunny weather with hot temperatures varying across the entire country. There is the possibility of **localised thundery showers** to affect few areas within the middle, transition and portions of the northern belts later in the day.
